

Geylang Methodist School (Secondary)

School General Information

Dear Parents, Guardians and our newly posted Secondary 1 Students,

A warm welcome to Geylang Methodist School (Secondary).

Under Full Subject-Based Banding or FSBB, Secondary 1 students will be in mixed form classes where they can interact with peers of various strengths and interests. With FSBB, we are moving towards a secondary school education where students learn each subject at the level that best caters to their overall strengths, interests and learning needs. Under FSBB, MOE will expand Subject-Based Banding (SBB) beyond the four PSLE subjects, to allow eligible students to offer Humanities subjects at a more demanding level from Secondary 2. Other subjects such as Art, Design and Technology, Food and Consumer Education, PE, Citizenship and Character Education and Music will be offered as an accompanying set of Common Curriculum subjects at lower secondary. More information will be provided at the Secondary 1 dialogue session on 7 January 2024 (Tuesday).
